Service from: 2023

Elevators are equipped with **AGILE** Destination Controls

At 985 feet tall and spanning an entire city block, 50 Hudson Yards is Manhattan's 4th largest commercial building, covering 18,000,000 sq. ft. Sir Norman Foster credited TK Elevator's TWIN system with enabling its wide-open floorplate design, redefining vertical mobility in this iconic skyscraper.

Architect: Foster and Partner
